

TEN KEY FEATURES OF Effective Leadership

1

Serving Others

Leaders should be servants—serving others and the organization.

2

Communication

If you can't communicate, don't try to lead.

3

Meaning

Effective communication is the effective sharing of meaning.

4

Adjustment

Leaders must adjust their leadership style to fit the situation.

5

Manage

Leaders must also be managers, for leadership without management is vision without fulfillment.

6

Focus

Leaders must focus on both people and the process (task, mission).

7

Vision

Leaders must have a vision.

8

Plan

Leaders must have a plan to fulfil the vision.

9

Articulate Plan

Leaders must communicate the vision, mission, and plan.

10

Attitude

Leaders must implement positive transition and change.
