MNTOPSS is not formally affiliated with the American Psychological Association (APA) but is recognized by APA as a local group/conference for high school psychology teachers. The TOPSS initials are a registered trademark of APA and are used with its permission.

About Us

The Department of Psychology is one of the largest departments within the College of Liberal Arts, and is a highly ranked department nationally. Currently, the department has 50 core faculty, 70+ staff, 130 graduate students, and it supports the largest number of undergraduate majors of any academic program on the UMN Twin Cities campus. Additionally, the department has $50 million or more in active research funding at any given time (the majority from NIH), spread across 70 or more projects. In its 100 plus year history, the Department of Psychology has been marked by distinction and excellence.

Organizing Faculty

Dr. C. Randy Fletcher
Dr. Liza Meredith
