August 1973 - May 1974: North Texas State University Counseling Center, Denton, TX

PROFESSIONAL EXPERIENCE

November 1989 - present: Senior Psychologist, Norris Health Center, University of Wisconsin—Milwaukee, WI. Duties consist of providing advising, advocacy, individual/group short-term counseling and crisis-intervention services to students, academic staff, and faculty, at a mid-sized, culturally diverse urban university. Responsible for working with Division of Student Affairs (Athletic Department; Office of Student Life; Dept. of Residence Life; Financial Aid Dept.; Student Accessibility Center; University Police; etc.) on student referrals, and providing consultative services to all university academic and student services departments, with student retention as primary focus.

October 1978 - October 1989: Clinical Psychologist with the Waukesha County Community Department of Human Services, Waukesha, WI. Responsibilities divided between the inpatient hospital and Outpatient Clinic; was only staff provider practicing in all three state mandated disability areas (mental health, developmental disabilities, and AODA).

July 1977 - October 1978: Staff Psychologist at Kettle Moraine Hospital, Oconomowoc, WI. Provided psychological services to chemically dependent inpatient and outpatient AODA populations in a JCAH accredited specialty hospital.

July 1974 - December 1976: Psychological Assistant with Behavior & Management Consultants, Inc., Milwaukee, WI.

ADMINISTRATIVE EXPERIENCE

October 1996 - present: Coordinator/Training Director, Counseling & Consultation Services unit, Norris Health Center, University of Wisconsin—Milwaukee, WI. Providing administrative leadership and supervision of counseling unit's day-to-day operations; scheduling, supervision, and evaluation of counseling staff; compiling utilization statistics; recruiting and retention of staff; serving as departmental liaison and coordinator to consulting psychiatry services and assisting in formulation of specifications for contracted services; led team in creating Operations Manual for Health Center; serve as Training Director in coordinating counseling and clinical psychology student placements in the Health Center.

October 1978 - October 1989: Clinical Psychologist, Waukesha County Community Department of Human Services, Waukesha, WI. Served in the capacity of Chief Psychologist in his absence, providing clinical supervision/direction/consultation to mental health and medical staff. Conducted Peer Standards Review Organization (PSRO, later called WIPRO) studies at the Mental Health Center (activity similar to JCAH Quality Assurance studies), leading to expansion of the day hospital program; expansion of the Community Support Program; creating mental health services to the county jail; and reduced inpatient care costs.

TEACHING EXPERIENCE
