

APA PUBLISHING ED&I MISSION

To enable a program that is equitable, diverse, and inclusive as reflected in its content, composition, goals, policies, standards, operations, practices, culture, and climate.

Ensure our content is representative of all people and communities. Promote equity through the content we publish and the voices we amplify.

Equitable
Content

Address inequities in psychological research through transparency and openness. Advance inclusive and equitable standards for research and publication.

Inclusive
Science

Diversify our community of authors, editors, and readers. Address systemic and institutional barriers faced by underrepresented scholars and researchers.

A Diverse
Community

Promote a more inclusive and equitable experience for underrepresented members of the publishing communities we belong to.
