Nature is everywhere!

Come on...
let's look outside your front door!

More sunshine,
more light!

The smell of fresh flowers blooming tall and bright.
Springing forward to longer days....

On a nature walk, take photos of the different types of flowers you see: dandelions, tulips, daisies, and much more!

Rainy days are
just as fun.

Catching rain in buckets
by the doorway...

and splashing in puddles
brings joy to everyone!

Place a watering can outside on a stoop, balcony, or windowsill to collect rainwater, and use the water to nourish indoor or outdoor plants.
