Note. These data are based on information provided by 159 departments that responded to the survey and reported data on number of faculty. Due to incomplete U.S. minority faculty data, the following cases were not included in this table: 39 public full-time faculty, 42 public part-time faculty, and 8 private part-time faculty.

**Calculation is not applicable.

***According to the *1998 Graduate Study in Psychology*, "minority" is defined as Black, Hispanic, Asian/Pacific Islander, and Native American/Alaska Native.
